Incipient Boom for Green as Candidate for President Grows

Receives New Impetus as Governor Tours West- ern Illinois

Macomb, Ill., Sept. 4—(AP)—An incipient boom for Gov. Dwight H. Green as a possible 1944 Republican nominee for president received new impetus today in western Illinois, where the governor is engaged in his first official tour of state institutions and developments.

Feted in Rock Island last night at a civic dinner attended by many Republican leaders, the chief executive heard himself described as a prospective candidate on the next G. O. P. national ticket.

Mayor Robert P. Galbraith of Rock Island, a Republican, sounded the Green-for-President note when he said:

"In the future we are going to need some one to pull the United States out of the mud. We think our governor is proving he will be a good man, and we look forward to seeing him in higher office in the near future. I've always wanted to be able to shake hands with a president of the United States that I know personally."

But Green, in his own informal address, made no reference to Galbraith's remarks.

Pleads for Unity
His talk contained a strong plea for united public support of the defense effort.

The governor said he believed the people were prepared to make "any sacrifice that is necessary to preserve the American way of life."

Talk of the 44-year-old governor as a potential nominee for the presidency or vice presidency three years hence attracted notice because it was the first public reference to his eligibility at a semi-political gathering in Illinois.

Recently Indiana G. O. P. leaders started a Green boomlet by inviting the Illinois executive to a luncheon at French Lick attended by a group of Indiana, Illinois and Kentucky Republicans. At that time Green denied the occasion had any political significance.

Governor Green's schedule today included stops at Aledo, Monmouth, Macomb and Quincy. His visit here was to include an inspection of the Western Illinois State Teachers College here.

Sleeps Aboard Boat

Last night Governor Green slept aboard a government-owned river boat, The Ellen, as the stern wheeler made a 70 mile cruise from Rock Island to New Boston. This morning he saw part of the system of locks and dams constructed to insure a nine foot channel in the upper Mississippi river.

The cruise party included Col. Malcolm Elliott of St. Louis, division engineer for the war department; Lieut. Col. Clinton W. Ball, district engineer at Rock Island; John W. Potter, Rock Island publisher; Walter A. Rosenfield, director of Public Works and Buildings; and Gilbert E. Keebler, state administrative auditor.

Complete Backing by Uncle Sam Plea of Prime Ministers

London, Sept. 4—(AP)—Prime Minister Winston Churchill of Britain and Premier W. L. Mackenzie King of Canada both called today in diplomatic but strong terms for full United States backing in the struggle against Nazi Germany.

Addressing a Lord Mayor's luncheon in honor of King, Churchill declared that "no lasting or permanent solution of the difficulties with which we are now confronted—with which the whole world is confronted—no diversion of that sad fate by which the whole world is menaced, can be achieved without the full co-operation in every field of all nations which as yet lie outside the range of the conqueror's power."

Statements Linked
Churchill linked his statement with that of King, who had preceded him and who, after recalling President Roosevelt's pledge to defend Canada, stated:

"Your declaration, Mr. Prime Minister, that in the Far East Britain would stand at the side of the United States is a sure sign of the deepening interdependence of the free world.

"A similar declaration on the part of the United States as respects Nazi Germany would, I believe, serve to shorten this perilous conflict. Such a declaration would be full of meaning for the German people. At the same time it would constitute a realistic recognition that Britain is the one obstacle in the way of a Nazi attack upon the new world."

3-Year-Old Ashton Child Killed When Thrown Out of Car

Everett Martin, Badly 15th Traffic Fatality in County This Year

Myrna Bunker, 3, daughter of Mr. and Mrs. William Bunker, Jr. route 1, Ashton, was the victim of Lee county's second automobile fatality of the week and the fifteenth of the year shortly after 9:00 o'clock Wednesday morning when she was thrown from her father's automobile in a collision between it and one driven by Herbert Cook of Cedar Rapids, Ia. at the junction of the Lee-Ogle county line road and U. S. highway 330, a mile and a half north of Ashton.

A coroner's jury found, at an inquest conducted at the Stephan funeral home in Ashton Wednesday afternoon, that the child's death had been caused by a skull fracture.

Funeral Rites Friday
Funeral services will be held at the Ashton Lutheran church at 2:00 o'clock Friday afternoon, the pastor, the Rev. F. W. Henke officiating. Burial will be in Ashton cemetery.

It was reported that Cook was driving south on highway 330 and

Chicago Boy Confesses To Robbery Campaign

Chicago, Sept. 4—(AP)—Police Captain Patrick J. Collins said today 16-year-old Robert Schaffer confessed he was the much hunted bicycle thief who has preyed upon scores of south side children in a three year robbery campaign.

The youth related, Collins said, he had realized about \$1,000 through this technique.

He would approach a youngster, accuse him of robbing his brother and demand money or the child's bicycle as the price of keeping quiet. Bicycles thus obtained were sold.

Collins, who said Schaffer also confessed robbing a 13-year-old girl, related none of the \$1,000 could be found, the youth explaining he had spent it on gambling and other amusements.

Bill of Fare

Salt Lake City, Sept. 4—(AP)—If you are worrying about the high cost of living, just take a look at this 1850 menu from a Hangtown Calif. safe, unearthed by officials of the U. S. grazing service.

Hash, low grade, 75 cents a dish; hash, 18-karat, \$1; beef (wild steer) \$1; beef (tame from Arkansas) \$1.50; jack rabbit, whole, \$1.50; roast or fried grizzly, \$1; bean or oat soup, \$1; rice pudding, plain, \$1, with cream, \$1.50.

As an inducement to hungry muckers the cafe also offered "square meal, with dessert \$3—payable in advance—gold scales at end of counter."

Famous Auction, Once Largest in World, Victim of Mechanized Age

National Stockyards, Ill., Sept. 4—(AP)—Mechanized warfare, mechanized farming, everything mechanized, has forced out of existence the famous old St. Louis Horse & Mule Commission company once the largest auction of its kind in the world.

J. J. Seary, president of the 72-year-old firm, announced its dissolution yesterday.

More than 2,000,000 draft animals had been sold by the company and during its heyday it was necessary to hold auctions twice a week. Within recent years auctions have been held twice a month.

Stabbing Affray in Home South of City Ends Night Quarrel

Charles Martin, Badly Wounded, and Wife in Local Hospital

Everett Martin, 58, was in a critical condition at the Dixon public hospital today and his wife, Mrs. Elsie Martin, also a patient at the hospital was suffering from superficial chest wounds, the result of a quarrel, which culminated in a cutting affray this morning about 4 o'clock at their home south of the city limits, east of the Pump Factory road. The double stabbing, according to Sheriff Gilbert Finch, appeared to have followed an all-night argument and drinking party, in which Martin sought to murder his wife and then commit suicide.

A rusty ice pick was the weapon said to have been used by Martin, who after inflicting deep stab wounds in his wife's chest, stabbed himself in the left chest. At least one of his wounds was reported to have penetrated the left lung.

The Martins were living in the house in which the parentless Robillard children reside south of the city limits. Sheriff Finch pronounced conditions in the household most deplorable, as he continued his investigation early today, attempting to ascertain the cause of the apparent murder-suicide attempt.

Child Calls Sheriff

Called by one of the Robillard children about 4 o'clock this morning, the sheriff stated that he found Mrs. Martin running about in the yard and her husband lying on a bed. Both were bleeding profusely from the stab wounds. One of the Robillard children, Sheriff Finch said, told him that the couple had been quarreling all night and the child had been unable to sleep. The sheriff said that there was evidence that both had been drinking and Martin

Unusual Charges Against Teacher

San Diego, Calif., Sept. 4—(AP)—San Diego State College marshalled its faculty in Superior court today to answer charges the school had sanctioned a sex lecture of such character as to bring unwholesome influence on a 23-year-old girl student.

The girl, Ann Marie Hansen, has pleaded guilty to manslaughter for strangling one newly-born child in April, 1940, and smothering a second last June.

She appeared yesterday before Superior Judge Edward Kelly to ask probation, and her attorney, Edgar Hervey, produced statements claiming that a San Diego psychiatrist, addressing the college's health education class, had tacitly condoned trial marriages and extra-conjugal relations.

This, Hervey said, had tended to place Miss Hansen "off guard."

Judge Kelly immediately summoned Dr. Walter Hepler, the college president, and members of his staff for an explanation.

"I am morally certain no member of the faculty would say such a thing as this girl has reported," Dr. Hepler said. Testimony developed that the lectures were given more than a year after the birth of Miss Hansen's first son, and shortly before the birth of the second.

Indiana Soldier Is Fatally Injured

Fort Leonard Wood, Mo., Sept. 4—(AP)—Private Franklin E. Catlin, 22, of Terre Haute, Ind., died at the post hospital last night of a head injury suffered while repairing a tire on an army truck.

The tire blew out, throwing a heavy lug which struck Catlin on the head.

His death was the first of a soldier on the military reservation itself. Eighteen have been killed in automobile accidents in the highway area around the fort.

Catlin was a seafarer with two months' service in Battery C of the 182nd field artillery.

Income Exemptions Lowered by Senate Vote: Tally 43 to 23

Will Bring 4,911,000 More People Under Tax Structure

Washington, Sept. 4—(AP)—The senate approved today, 43 to 23, a proposal to broaden the tax base and raise about \$303,000,000 in new revenue by lowering existing income exemptions from \$2,000 to \$1,500,000 for married persons and from \$800 to \$750 for single persons.

Latest treasury estimates show that the change, recommended by the senate finance committee, would bring \$4,911,000 additional

Nazi Non-Com Shot in Paris Last Eve

Vichy, Unoccupied France, Sept. 4—(AP)—A German non-commissioned officer was reported today to have been shot last night on a Paris street.

German authorities took the case out of the hands of French police and began a manhunt for the assassin.

An unidentified man was said to have opened fire on the German, an army sergeant, with a revolver in the busy east station section.

The victim was rushed to La Riboisiere hospital where his wound was considered not serious.

The commanding general of German forces in France threatened recently to shoot French hostages in a number corresponding to the seriousness of the offenses against German authorities.

Fernand de Brinon, Vichy ambassador to Paris, admitted later, however, that German reprisals were causing a bad popular reaction, and said the Germans for that reason had withdrawn from their previous position and would allow the French to deal with communists.

Mystery of Mt. Carmel's Blistered, Discolored Paint Solved by State

Springfield, Ill., Sept. 4—(AP)—The Mount Carmel paint mystery was solved today by state health department chemists who reported that hydrogen sulfide gas escaping from nearby oil wells was responsible for blackening and blistering of paint both inside and outside the houses in the Wabash county town.

Dr. M. H. Kronenberg, chief of the division of industrial hygiene, reported to state health director Roland R. Cross that the hydrogen sulfide gas "it smells like rotten eggs" was "unpleasant and disagreeable" but that it was not

present in sufficient quantities to be a menace to health.

Mayor Charles A. Martin asked the health department to make the investigation after resident reported that exterior paint was discolored or blistered by the fumes and even some furniture was damaged.

Dr. Kronenberg said that the gas escaped from oil produced from the McClosky formation, particularly when the oil was agitated in storage tanks. He recommended that all tanks be made gas proof and provisions made for burning the gas as it

Bloodiest War in History Rages on Fronts in Russia

The War Today!

By DEWITT MACKENZIE
(Telegraph Special Service)

The fierce counter-attack by the Reds along the center of the Russo-Nazi battle-front in the strategic Smolensk-Gomel sector is a remarkable demonstration of reserve power, and provides further sensational evidence of the great military strength which the world failed to recognize until Hitler launched his conquest, expecting to be in Moscow in six weeks.

The magnitude of the operation, which extends over a sector of some 200 miles, gives to wonder whether it represents the major offensive which the bolsheviks might be expected to launch at about this time, provided they had the stamina after the terrible hammering they have endured from the German war-machine.

A heavy attack in this center would be a logical development in any event, for the purpose of relieving pressure on the Russian right and left flanks, where the battles of Leningrad and Odessa respectively are raging. Marshal Timoshenko's offensive, however, has been sustained at full steam for close to a fortnight, and this might bespeak bigger things. Moscow reports that the Red troops have retaken 22 villages in ten days, and at one point threw the Germans back thirty miles.

The natural strategy of the Red command at the outset of the war would be to fight a defensive action until the German lines of communication were greatly extended and the attacking forces were tired and weakened by casualties and destruction of equipment. Then the bolsheviks would seize the initiative—if still strong—employing the great army of fresh troops which reportedly have been assembled.

It looks as though the bolsheviks have been going all-out in

Youth Hitchhikes 700 Miles to Join Navy

Chicago, Sept. 4—(AP)—Tommy Pierce of Pekin, Ill., who said he hitchhiked 700 miles so he could join the navy, passed his examinations and was accepted for service today.

At the naval recruiting station he told how he had volunteered for enlistment at Pekin Aug. 29, the day he reached 17 years of age. There he was informed that he would have to have a certificate of his berth in Pershing, Iowa.

He wasn't sure where this could be obtained, but he started hiking anyway and ended up at Knoxville, Iowa, where county authorities were able to give him the required document. Then he began to walk home.

Pierce was five feet for inches tall and weighed 117 pounds when he began his hike. He was the same height when it was finished but navy records showed he had shed four pounds. Recruiting officers guaranteed to put them back on him in short order.

Observer

With Second Army in Arkansas, Sept. 4—(AP)—When Lieut. General Ben Lear, Second Army Commander, walked up to a group of soldiers at work on pontoon bridges they came to attention smartly.

One man with no identifying insignia gave the palm up British salute.

An excited sergeant walked over, asked, "Are you a soldier?"

"Yes," was the meek answer.

"Well that's not the way we salute in Uncle Sam's army," the sergeant declared authoritatively.

"I'm not in the American army," came the reply. "I'm Major Morris of the 17th Battalion Royal Engineers. I'm a British observer."

Agitation Persists

This agitation persisted today, topped by the declaration in a diplomatic review sponsored by the Tokyo foreign office, that the United States and Britain were pushing rapidly toward a goal of world domination.

The Maritime Commission at Washington confirmed an Australian radio report that an American tanker arrived at Vladivostok yesterday. The brief announcement was not amplified.

China's infant air force, product largely of outside aid, was causing Japanese concern, on the Asiatic continent at least.

The Central News Agency of Chungking said that Japanese in South China had ordered heavy camouflage precautions on the Kowloon-Canton railway after Chinese warplanes flew over the area three days ago, without bombing.

A Tokyo broadcaster declared that the Japanese knew where new air bases around Chungking were located and that it was known that planes there had been supplied by the United States, Britain and The Netherlands.

Battle is Surging Toward Climax: Losses Big

(By The Associated Press)

The battle of Russia is surging toward a climax in the four principal sectors of the Main Russian-German front, on the immediate approaches to Leningrad in the north, on the front west of Moscow, on the railways and highways converging on Kiev, on the siege ring around Odessa.

The struggle, now in its 11th week, has cost Russia losses of from 2,000,000 to 3,000,000 men and Germany about 1,750,000, said an authoritative British source, who called it the bloodiest fighting in history.

The Russians said that the assault on Leningrad, now threatened on the north by victorious Finns and on the south by the Germans, had been checked but Pravda, Moscow organ of the communist party, admitted that "the beastly, treacherous enemy is breaking through on the approaches to the city."

Inhabitants of Leningrad had turned out to build a deep, continuous defense line to meet their foe, determined, it was said, to turn the approaches into graveyards for the attackers.

Terrific fighting has started on the approaches to Kiev, capital of the Ukraine, with the Russians declaring the Germans repulsed by stiff counter attacks. In one outlying village several German regiments were said to have sustained loss of more than 15,000 men in dead and wounded.

Reds Land Storm Troops

Somewhere on the indefinite front west of Moscow the Russians claimed their deepest counter thrusts while the Red fleet, taking advantage of its command of the Black sea, was attempting to relieve Odessa by landing storm troops behind the German-Rumanian siege lines.

The severity of the struggle was pictured by German and Russian sources independent of the official communiques.

Aerial superiority in the area may dictate the fate of Leningrad, northern anchor of the main Russian-German front.

The Helsinki picture of Leningrad's position was that Finnish troops were advancing from the north, separated by 4 miles from German forces attacking in the south, with Leningrad in the ap-

First Tanker from U. S. Reported Safe in Russian Harbor

(By The Associated Press)

Amid Oriental tension, the first United States tanker carrying aviation gasoline fuel for the Red air force, has reached Vladivostok. The Japanese, forbidden this kind of fuel, had made representations against such shipments.

Currently the strain in Japanese-United States relations hinges on the program, now under way, of sending lease-lend supplies to Russia through the Sea of Japan, for use against Germany, Japan's pact partner, while commercial dealings between the United States and Japan are virtually at a standstill.

This week while the first tanker approached the Russian port, Japan simmered with talk of total mobilization against "encirclement" and establishment of an ocean safety zone around Japan by expansion of territorial waters to include nearby waters leading to Vladivostok.

Mr. and Mrs. George Leonard of Clinton, Ia. and Mr. and Mrs. Eugene Tannery of Davenport, Ia. visited at the Stephen Carnahan home here Sunday. They all called on relatives in Compton in the evening. The Iowa visitors attended the Mendota fair and races.

Earl Leavens of LaSalle, older son of the late Dr. and Mrs. D. C. Leavens, was a caller here Thursday. Mr. Leavens has held the office of mail clerk in the Santa Fe railroad for the past 35 years.

Mr. and Mrs. Everett Thomas and family have moved from Olney to the John Ulrich house on Main street, now owned by Alice Parlin. Mr. Thomas is employed in the Prince Castle ice cream plant in Dixon. The couple have nine children, six of whom will attend the local grade school.

John Ackey of Rockford visited at the home of his uncle and aunt, Mr. and Mrs. F. L. John several days last week.

Mrs. Charles Conibear entertained at Sunday dinner Emil Beer and daughter Lydia of Berwyn, Mr. and Mrs. Robert Baird, son Bobbie of Oak Park, and Marjorie Conibear of this place. Coach Herbert Blodgett and

children and his housekeeper, Mrs. Marion Wheeler, and her daughters, Mary Alice and Vivian have moved to Thomson. They will be missed in the church and community. Mrs. Wheeler taught an adult Sunday school class.

Mrs. F. C. Gross of Franklin Grove spent Friday at the W. J. Leake home.

A. H. Hill and W. S. Frost spent the week-end in Chicago and attended the Townsend meeting in DeKalb on their way home Sunday afternoon.

Mrs. Mattie Gierz and Mr. and Mrs. Harry Boechring of Cicero were dinner guests Wednesday at the Mrs. Charles Conibear home. Mrs. Gierz remained to visit for some time.

Earl Carlson and W. F. Taylor played in the "Old Timers Game" at Ashton Monday night of last week. Ashton vs. Country which included players outside of Ashton. The Country won 23 to 20 in six innings. In the second game of the evening, Lee Center lost to Daysville 10 to 9. Batteries for Lee Center were Gehant and Frost.

Mr. and Mrs. Dwight Mellen of Chicago were callers recently at the Mrs. C. Conibear home.

Leonard White attended to the work on the farm of the W. J. Leakes while they were on their vacation in Michigan.

Mrs. Ada Carlson of Amboy spent last Friday with the Earl Carlsons.

Mr. and Mrs. C. T. Leonard of Chicago spent the week end with S. L. Shaw and Mrs. Leonard will remain for the week. Mr. Shaw's condition shows improvement.

The Wedding Anniversary club held a "steak fry" in Lowell park Sunday evening in honor of the thirtieth wedding anniversary of Mr. and Mrs. Vernon Pomeroy. The latter were presented with a fine gift, and the evening was spent socially.

Others in attendance were: Mr. and Mrs. Andrew Aschenbrenner Mr. and Mrs. Raymond Degner Mr. and Mrs. Wilbur Dysart.

Mrs. Malinda Aschenbrenner spent the week end with her son Andrew, family and attended church service Sunday at the Ashton Lutheran church.

Alice Thornton of Franklin Grove was a visitor at the Vernon Pomeroy home several days recently.

Mr. and Mrs. George Brewer and sons of Detroit, Mich. were overnight guests Sunday of their uncle and aunt, Mr. and Mrs.

C. W. Ross. They left for home Monday. Mr. Brewer is the son of the late Dr. Richard Brewer of Kansas City, Mo.

A Thought For Today

Bless them that curse you, and pray for them which despitefully use you.— Luke 6:28.

Hate is a fear, and fear is rot that cankers root and fruit.—Robert Graves.

This Day Thou Shalt Be With Me...

Strange things go on in this sorry world—and where will you find one stranger than a chapel built by thieves within a prison, and given the name of a thief?

Does this sound irreverent? It is not meant to be, for few things could be more reverent than the dedication at Clinton Prison, Dannemora, N. Y., of the Chapel of the Good Thief. When the bells rang out over Dannemora the other day, it signaled no "break," no emergency. It summoned all prisoners who wished to come to a sturdy stone Gothic chapel beneath the very machine-gun-guarded walls, a chapel built over a period of three years by prisoners. Some 640 convicts entered for the first service, and not all were Catholics, the faith whose service was held; the organ of the church was donated by two Jews; one of the bells was given by a friendly Methodist church.

Over the entrance, over the altar, hung portraits of St. Dismas, the Good Thief.

To men confined in Dannemora, his story means something that it is not likely to mean to the rest of us. We have, perhaps, forgotten St. Luke's moving incident of the crucifixion:

"And one of the malefactors which were hanged railed on Him, saying, 'If thou be Christ, save Thyself and us.' But the other, answering, rebuked him, saying, 'Dost thou not fear God, seeing thou art in the same condemnation?' And we indeed justly, for we receive the due award of our deeds; but this man hath done nothing amiss."

This man had done wrong, but he was repentant. And he said unto Jesus, "Lord, remember me when Thou comest into Thy kingdom." And Jesus said unto him, "Verily I say unto thee, Today thou shalt be with Me in Paradise."

That is the story the convicts in Dannemora remembered when they, with their own hands raised the first chapel of its kind in a maximum security prison in the United States, and raised it with stones taken from an old cell-block.

That is a story all America ought to hear, a story that shouts that in all America there is no man so abased, no man so fallen, that he may not still labor for something outside himself, may not still build something greater than he.

Can free men outside the walls see this thing and be satisfied? Have we built, as nearly as within us lies, what lies within our power to build?

True or False?

(Moline Dispatch)

Colonel Lindbergh made a speech in Oklahoma City recently. Having been denied the use of a public auditorium for the meeting, the aviator spoke in the open.

Commenting on Lindbergh's position in public life, a Moline man said the other day: "I don't know everything behind this Lindbergh business, but you can bet he's getting money from somebody for making those speeches."

Now if anybody will take the trouble to analyze the speech made by Lindbergh at Oklahoma City, or those he has made anywhere with regard to America's position in the raging conflict, it will be possible to arrive at a conclusion as to whether Lindy has been wrong or right. It does not pay to leap at the idea that Lindbergh is an agent of Hitler, or that Roosevelt is getting money from the British government. The question at all times is whether they speak the truth.

If Mr. Lindbergh were to hire a hall and make the flat statement that 2 plus 2 equal 4, we could name people who would immediately deny that eternal truth simply because of their notion that the noted flier has sold out to His Satanic Majesty, Adolf Hitler.

Some weeks ago we tried to be funny in an editorial. We accepted facetiously the theory that Lindbergh is a subversive influence, acting in concert with Adolf Hitler. Then we said that all the investigating agencies in the United States, such as the FBI, backed by the department of justice, and the house of representatives and the senate should hold a joint investigation of Lindbergh. We suggested that if they could find something against him, they ought to hold him up to the full light of public opinion.

We shan't attempt to be funny any more. The editor's office was damned by the myriad of Lindy's local friends, who missed entirely our clumsy attempt at humor. Take it from us, the man who says publicly that Lindbergh is an enemy agent is going to make enemies who will remember that statement for a long, long time.

Judge each Lindbergh sentence by your own notions: True, or false.

They Catch On Quick

A pioneer English farmer, no doubt one whose ancestors stood before King John demanding Magna Carta, is growing an acre of American-style sweet corn for sale. This is so daring an innovation that the London papers have seen fit to explain it, thus:

"Corn is a favorite food in America... It is also regarded as a great delicacy by Anglo-Indians throughout the east. The cob is boiled for 15 minutes and served like a potato in its jacket. The leaves are removed, butter or margarine is spread over the corn, and it is sprinkled with pepper and salt.

"Then, holding it at the ends, you nibble the corn like a rabbit."

While the manner of recommended service may fall short of true American standards, the description of the technique of eating is perfect.

Maybe Britain is going to get something out of the war, after all; the privilege of eating sweet corn may not be worth a war, but it's worth a lot.

Heaven to a small boy must be a place where throwing rocks through windows is compulsory.

NEWS BEHIND THE NEWS

By PAUL MALLON

(Distributed by King Features Syndicate, Inc., reproduction in whole or in part strictly prohibited.)

Washington, Sept. 3.—It is rather widely known here that the British intend to go in through Iran to establish a common fighting line with the Reds in front of the Caucasus mountain oil fields (famed Baku), in the expectation that the Nazi military machine may yet burn out its bearings for want of oil.

The Nazis have reached no oil yet in the Ukraine, will not come to the rich sources of supply until they have conquered the Caucasus.

If the British could this strategy with increased bombing of synthetic oil plants in Germany, they can do more to help Russia and themselves than in any other way now open.

It is too much to say the Nazi machine is cracking for want of fuel. But telltale evidence is beginning to come through in the official dispatches that the prolongation of the planned 6 or 8 weeks campaign has placed a grave military strain upon the supply and transportation of this essential food without which blitzes cannot blitz.

Key secret to the whole Nazi slowdown in Russia seems to be gasoline. The blitz rolled westward without pause, through Belgium and France, mainly because the Germans were able to seize big filling stations and wholesale storage tanks before these could be destroyed. The high command has since claimed it seized more gas than it used in the conquest of the west.

Not so in Russia. There are no gas stations, retail or wholesale, because there were no automobiles. Every gallon must be hauled from synthetic plants in Germany, all the way across Poland to the front.

No new oil sources have yet been taken by the Germans in their Russian conquest, except a few minor wells in Russian Poland. Earlier they took oil in Romania but the problem of transportation from there to the central and northern fronts is extremely difficult.

The private official advices here desperate for the Nazis at times, suggest this situation has been causing them to halt their forces for days, even when unopposed. The better success of the drive through the Ukraine may be explained by the fact it is the only one of the fronts convenient to Romanian supply.

Season for light, intermittent rains has descended upon the central and southern fronts. The German communiqué Tuesday admitted, for the first time, fighting in mud. Heavy rains and sleet usually prevail from October 1 to mid-November. Then for about 30 days, from mid-November to mid-December, the ground is frozen and there is little snow. These 30 days are ideal for mechanized fighting, but thereafter real winter snows descend ordinarily, and operations are naturally limited.

The fighting is therefore not yet near its seasonal end.

The administration is so depressed over the prospects that its price control legislation will be hedged extensively by congress, some talk of dropping the whole idea has developed. It seems to be getting down to a question of whether the price restraint, Leon Henderson, really has taken more power now than he may get under a new law, after the inflationists hit. He can use threat sanctions (priorities, transportation, etc.) to make business take many effective steps now in a wholly unofficial manner.

The severity of the senate committee tax bill will be slightly shaved on the floor; more in conference, so the final general form will be about halfway back to the milder house bill. All hope of raising two-thirds of the still swelling budget (now around \$22,000,000,000 for this fiscal year) in this bill has been abandoned. All agree to have another bill next year.

The senate committee tried to bring in the defense workers, making larger salaries now, by dropping the exemptions, but privately doubts are expressed that much money will be brought in. Many workers will be moving from factory to factory, within the year, and wholesale failures to file returns can hardly be avoided.

A defense official warned business trade editors the shutting down of plants due to raw material shortages would become very serious in 30 to 60 days. Public repercussions are feared, which might have an influence on both defense and foreign policies, if allowed to run. Elaborate efforts are being planned by defense officials (special priorities for injured communities, special offers of new defense contracts to small manufacturers, more subcontracting, etc.). In view of the extraordinary advance attention which government has given the subject, the worst apprehensions should be avoided.

Funerals

Local—

MRS. F. X. NEWCOMER—Funeral services for Mrs. Francis X. Newcomer were held yesterday afternoon at the family residence, 224 East Third street. The Rev. Aubrey S. Moore of Chicago, former pastor, and Dr. Floyd E. Blewfield, present pastor of the First Methodist church officiating at the brief but impressive service, followed by interment in Oakwood. The casket bearers were: Dr. Z. W. Moss, A. A. Rowland, H. C. Warner, L. G. MacDonald, H. E. Senneff and J. U. Weyant. The floral tributes were profuse and most beautiful, bespeaking the high esteem in which this beloved woman was held.

Attending the service from out of town were the following: Mr. and Mrs. Louis Beckmire, Freeport; Mr. and Mrs. Carl Evans, Rockford; Albert M. Joseph, Josephine, Frederick and Mr. and Mrs. Charles Newcomer, Leaf River; Mrs. Hugh Felker, Mt. Morris; Charles R. Walgreen, Jr., Mrs. Charles R. Walgreen, Samuel J. Bowyer, Attorney and Mrs. George Arthur, Mr. and Mrs. J. B. Lennon, Mr. James Ward, M. B. Stephens, George E. Barnes, Clell Boyer and Harry R. Spellman, all of Chicago.

JOYCE VAN METER—Joyce Patricia Van Meter passed away at the home of her parents,

Mr. and Mrs. Jo Van Meter, 819 East Third street, at 7:55 o'clock Wednesday evening after a long illness. Funeral services will be held at the home at 9:30 o'clock Saturday morning. Dr. Floyd L. Blewfield, pastor of the Methodist church, officiating, and at the Fancy Creek cemetery at Williamsville, near Springfield, at 3:00 o'clock that afternoon.

Joyce, who was born in Dixon, would have been ten years old Sept. 28 and would have entered the fourth grade at South Central school Tuesday of this week had her health permitted. She was a member of the Children's Social Service club of the Methodist church, and during her long illness, which enlisted the deepest sympathy of all who knew her or of her, she manifested unusual patience for one so young.

She is survived by her parents; a sister Juanita; a brother Joe, both at home; and her paternal grandmother, Mrs. Carrie Van Meter.

CARD OF THANKS—We wish to thank our relatives, neighbors and friends, also Father Troy for their many acts of kindness during the illness and death of our wife and mother.

CHAPTER X

SUMMER COTTAGE—accommodations for six on Lake Olvera. Boating, swimming, fishing. Write for details. A234.

MIKE FLYNN beamed down on the four of them, gathered in the plant office. "That's the place. We all need a vacation. Let's go. The sooner we forget this incident, the better."

"I'm sorry, Joe," Ted said, thrusting out his hand. "I must have been imagining too many things. I should have trusted you."

"Can you ever forgive ME?" Mary asked. "I was going to shoot you!"

"Perhaps you'd better explain everything, Benton," Flynn suggested. "Taylor said it would be all right to tell them."

"There really isn't much to tell," Joe began. "I am a professor of chemistry at the university, as I told you. But there were a few things I kept to myself."

"You see, we've all been working on explosives since this trouble in Europe began. Quietly working, but getting the job done. And a lot of investigating has been going on. All patents on explosives are thoroughly checked. Anything that even resembles an explosive has been dug out of files and tested."

"That's how we got next to Wondrosoap. Your father patented his discovery about 15 years ago, Kay. It was a simple formula, and at that time the office didn't give it much attention. Perhaps they didn't realize its possibilities. Anyway, it was overlooked."

"Well, when the war started, chemists all over the country were summoned to test these various formulas. Most of them were pretty haywire schemes; a few were good. I got Tim Donovan's formula. The thing I couldn't find was his catalytic agent."

native American. He was approached. His brother was threatened. And Hans sent his brother to a concentration camp rather than tell what he knew about Wondrosoap.

"I had spy jitters, too. But I picked Mary as the agent. When she drilled that can due center, I knew there was going to be trouble. Thanks for not shooting me, Mary. We're even now. I was going to send you to jail."

"I feel like a fool," Ted grumbled. Kay's hand found his. "Don't, Ted. You did exactly right. You knew how valuable Wondrosoap is and you were trying to protect it for me."

Benton nodded. "You were right on your toes, Ted. There was no way of your knowing I was working with the FBI. Even Taylor, the district chief, didn't know. A few officials in Washington and the head of the chemical research, perhaps, but no others."

"That's all of that," Flynn ordered. "It's vacation plans from now on. Army ordinance officers will start Wondrosoap tests tomorrow. With Tim's plans for a time bomb, and Hans Stadt to work them out, we should be making shells here as soon as the plant can be enlarged."

TED and Kay walked through the factory for the last time. "It all belongs to the government now," Kay said, a little sadly.

"But you're making money, honey," Ted reminded her. "It was fine of you to offer the plant for practically nothing, but I'm glad Flynn made arrangements to lease it for duration of the emergency. You're guaranteed a steady, comfortable income. You can get along on \$20,000 a year. The government couldn't build an outfit like this for 10 times that price. Afterwards, you can go on making explosives for peacetime uses, blasting tree stumps, building roads—"

He paused in front of a door in the warehouse. The doorknob gleamed in the semi-darkness. "Remember the day we tried Wondrosoap as a cleaner?"

"I can't forget it, Ted." "Then we were business partners?"

A dime fitted into the slot of the screw. In a moment it was off the door, in his pocket. He hurried after Kay.

THE two weeks' vacation was all too short. Flynn spent most of his time fishing, but the others—Joe and Mary, Ted and Kay—found time for canoe trips up the river, daily swimming parties on the lake, and long moonlight rides on the launch that they rented with the cottage. Lake Olvera was everything they had hoped it might be.

Ted would have enjoyed it more had he been able to summon courage enough to ask Kay to marry him. Daily he planned what he would say, imagined how Kay would answer. But the super-salesman had encountered his toughest selling job. He couldn't sell himself.

Kay's money was his principal worry. When she was poor, jobless, almost friendless, he had been sure that she loved him. Now, with money pouring in, would she want to sacrifice those luxuries she could afford to be the wife of a salesman?

He got his answer the last night of the vacation, but not as he had expected it.

KAY was standing at the end of the dock, loving the moonlight, the quiet lap of the water against the boats, when Joe Benton came to her.

"I've been wanting to talk to you alone, Kay," Joe said. "This is goodby, you know. Mary and I are taking the morning train, back to school."

"Mary and you?" "Yes. Mary decided that policeman's job is too risky. She came mighty near shooting her future husband."

"You and Mary! Oh, Joe, I'm so glad." "We thought you would be. You're the first to know. There's something else, too, Kay. I want you to know. We think you're swell. You were the only one who trusted me. That faith meant a lot."

"You were grand, Joe. Just like a brother, working for me." Impulsively, she raised on tiptoe, kissed him. Then, tucking her arm in his, Kay hurried him to the house. "Come on, I have to see Mary, and hear more about this."

Summer Theater Is to Present Crothers Comedy

Of particular appeal to Rock river valley residents, as well as downstate Illinois, is announcement that the Grand Detour Players have chosen the sparkling comedy, "When Ladies Meet" by Rachel Crothers for their summer theater performance this week at Illini hall.

Miss Crothers, who spent her girlhood in Bloomington, Ill., has gained national prominence as a playwright. Her New York successes include such favorites as "Susan and God" and "Let Us Be Gay," among many others. The latter show was presented last year in Grand Detour, and was voted one of the Players' outstanding productions of the season.

"When Ladies Meet," considered by many critics as the finest play of the long list of admirable productions which Miss Crothers has written, concerns itself with Mary Howard, author of novels, who is married. Mary has written a novel dealing with just such a problem as hers: Should a woman frankly tell a man's wife that she loves her husband, or should she continue with the deception? The tragic and comic twists that occur when Mary finds the opportunity in real life to place herself in her heroine's position provide a delicate and sympathetic study of "When Ladies Meet."

Miss E. Melba Johnson, who is returning for her final appearance at Illini hall this season, and Maurice Blythe, who was a member of the troupe last year and will be making his 1941 debut with the players, will augment the regular cast of Grand Detour favorites for this week's show.

The play opens this evening, and will continue through Sunday, with a matinee on Sunday.

EASTERN VACATION

Mrs. and Mr. Frank Welch and daughter Donna and Mr. and Mrs. Melvin Moulton and daughter returned yesterday from a five-day vacation trip through the east. They visited relatives in Pittsburgh, and returned by way of Niagara Falls and Canada.

TOURNEY NOTES

Mrs. Leo Miller is to meet Mrs. Henry Jensen in B flight of the women's championship tournament at the Plum Hollow Golf and Country club, having defeated Miss Lois Fellows, 4 up. Mrs. Lawrence Poole and Mrs. Robert Axline were even at the end of their first nine holes, and expect to complete their match this evening.

The championship match, between Mrs. Ralph Barlow and Miss Kathryn Herman, has been scheduled for Sunday afternoon.

ALVIN E. DODD AND MRS. COSTER ARE WED IN EAST

Announcement is being made of the marriage of Mrs. Henrietta Fox Coster of Bermuda and New York and Alvin E. Dodd of Grand Detour and New York. The ceremony was solemnized Saturday, Aug. 13, at the Clayton Erwin home at Easton, Conn.

Others present for the nuptial service were Mrs. Dodd's daughter, Miss Joan, of Washington, D. C., and Lieut. Francis Hekking of New York, formerly of near Paris, France.

After Oct. 15, Mr. and Mrs. Dodd will be at home at 160 48th street, New York City.

KAMPEN-MEYER

Mrs. Ruth Meyer of Shannon and Alfred Kampen of near Shannon, were married at 8 a. m. Monday in Pole, at the home of the officiating clergyman, the Rev. S. G. Eberly, retired minister of the Shannon Evangelical church. After the ceremony, Mr. and Mrs. Kampen left on a wedding trip to the Wisconsin Dells and points in Minnesota.

BRIDGE-LUNCHEON

Luncheon at Peter Piper's yesterday opened the season's party series for members of a bridge group of 12. Mrs. Orval Gearhart, Mrs. Grover W. Gehant, and Mrs. Ann Wilson received prizes in the afternoon's contract games.

Mrs. L. H. Cain is to entertain when play is resumed in two weeks.

Railroads are paid on a space basis by the government for the transportation of mail.

Former Walnut Girl Is Bride

Miss Priscilla Forney, daughter of Mr. and Mrs. D. E. Forney of Walnut, became the bride of William A. Brittin, Jr., son of Mr. and Mrs. William Brittin of White Heath, Ill., Saturday afternoon, Aug. 30, in a nuptial ceremony solemnized in the parsonage of the Methodist church in Fort Plain, N. Y. The Rev. Mr. Hammersley, pastor of the church, performed the double ring ceremony at 3 o'clock.

The ring that Mr. Brittin placed on his bride's finger is an heirloom in the Brittin family. Miss Elizabeth Forney of Springfield, Ill., was her sister's maid of honor, and James Patten of Palatine, N. Y., served Mr. Brittin as best man.

The bride wore a suit of navy blue with white accents, and a corsage of white roses. She carried a white prayer book. Her sister, as maid of honor, was dressed in black, with matching accessories, and her shoulder corsage contained pink roses.

After the ceremony, a wedding dinner was served for the bridal party at the Belvedere hotel in Sharon Springs, N. Y. Afterward, the couple left on a wedding trip to Niagara Falls.

Mrs. Brittin was graduated from Walnut Community high school and from the University of Illinois. The bridegroom is a graduate of Monticello high school in Monticello, Ill., and the University of Illinois. He is a member of the American Society of Bacteriologists and is employed as bacteriologist for the Beechnut Packing company at Canajoharie, N. Y.

After Sept. 8, Mr. and Mrs. Brittin will be at home in Canajoharie.

SOUTH DIXON CIRCLE

Election of officers occupied members of the South Dixon Reading circle at their first meeting of the season Tuesday evening. Miss Ruth Bollman, retiring president, presided.

Officers named were: President, Mrs. Celeste Ackert of Amboy; vice president, Mrs. Lucy Highbarger; secretary-treasurer, Miss Dorothea Butts.

Books selected for reports this year include: "Integrated Handwork for Elementary Schools", "Americans to the South", and "Pupil Personnel and Guidance." The next meeting will be held Tuesday, Oct. 7, at the home of Mrs. Dorothy Shippert.

BRIDGE CLUB

Mrs. O. H. Martin will entertain her bridge club of eight this evening at her home on Crawford avenue.

Retail beer sales for 1940 were estimated at \$1,831,245,000.

LINKSWOMEN HAVE TWO-CLUB TOURNEY

Mrs. E. E. Barrowman carded low putts in yesterday's two-club tournament for linkswomen of the Dixon Country club. The players were permitted to choose any two clubs from their bags, except their driver and putter, for the nine-hole event, and Mrs. Barrowman managed to finish with but 16 strokes on the greens. Mrs. Carl Plowman received the other prize.

A similar contest is being planned for next Wednesday. Luncheon will be served at 12 o'clock, and the players will tee off about 1.

NELSON UNIT

Mrs. Ogren of Hennepin avenue, Mrs. Roy Scholl, and Mrs. Lucetta Ransom were co-hostesses to Nelson Home Bureau unit Tuesday at the former's home on Hennepin avenue. About 30 members were present to hear the lesson, "Something Dealing with New Fabrics," presented by Miss Marion Symphon, home adviser.

Mrs. John Spangler of Nelson will entertain on Oct. 7.

STONY POINT P. T. A.

Members of the Stony Point Parent-Teacher association are announcing their first meeting of the year for 3:30 o'clock tomorrow afternoon, when mothers of the students will be entertained at tea. The group will meet at the school.

VISITS GRANDPARENTS

Barbara Anne Butterfield of Peconica is visiting her grandparents, Mr. and Mrs. Roy Randall, in the absence of her parents, Mr. and Mrs. Fred Butterfield, who are vacationing at Glenwood, Lodge, Tower, Minn.

MONDAY NIGHTERS

Monday Nighters will be guests of Miss Mae Thoren at the home of Mrs. Lee Gilbert on Chicago avenue, Monday evening.

Greet the former Dixonite, —Louella O. Parsons— who has become a nationally known figure. —Sept. 15th, is the day. tf

METHODIST CHOIRS RESUME PRACTICE

The three choirs of the Methodist church are resuming their work for the fall and winter months this week, following the summer recess. Miss Marie Worley, director, announces the following schedule of practices for the year:

Senior choir—Every Wednesday evening at 7:15 o'clock; Treble Clef choir, 5 p. m. on Wednesdays and 6:30 p. m. on Saturdays; Junior choir—12:45 p. m. each Saturday.

Vocalists who wish to volunteer their services by joining any of these choirs, are asked to notify Miss Worley at once.

Mr. and Mrs. Swan Carson of Lincoln, Neb. and Mr. and Mrs. Walter Swanson and daughter Carol of Wahoo, Neb., who have been guests of Mr. and Mrs. Harry Quick, went to Chicago on Wednesday, where Miss Carol will enter training at Augustana hospital. The Quick's son, James Howard, also returned home this week from a trip in California and Mexico, and will go to Western Springs Saturday, where he will teach.

Mr. and Mrs. George Fruin and daughter attended the fair today at Morrison.

Bloodiest War

(Continued from Page 1)

proximate center of the 40 mile vise.
The Russians said that their foe resorted Tuesday to a "psychic attack"—a thrust by two companies of picked troops behind a military band—but this novelty ended in disaster.

While the German high command was virtually silent on the Russian campaign DNB, official news agency, reported the crushing of an attempted landing from the Black sea, presumably to relieve beleaguered Odessa.

Communications Attacked

Luftwaffe blows on vital Russian communications deep within the Red army's lines were emphasized in German dispatches. Most of the German communication was devoted to the air and sea war with Britain. It reported sinking of two British freighters totaling 10,000 tons, bombardment of port facilities of eastern England and a raid on the airport of Abu Suer, on the Suez.

The German navy and air force sank 537,200 tons of British merchant shipping in August, the high command added.
In the Mediterranean zone, the Italian high command reported eighteen British planes were shot down in an air battle over Sidi Barrani.

Far Eastern Situation

The ticklish Far Eastern situation, meanwhile, was highlighted by an Australian radio report that the first American tanker bearing aviation fuel to soviet Russia had arrived safely at Vladivostok.
The shipment—expected to be the first of many—had been bitterly criticized by the Japanese press and was the subject of representation by the Tokyo government.

The fact that Japan has been denied American aviation fuel has been added source of irritation to the Japanese. Only today a government-backed Japanese paper declared the United States and Britain were trying to exhaust Japan's natural resources as part of an alleged plan for world domination.
The air war on the British-German front was marked by a continuation of RAF night raids on the Nazi-occupied port of Brest. Only a few German bombers were reported over Britain.

Rooms in Homes of

private homes will be necessary, due to the reservation of all rooms in local hotels.

It was suggested that merchants of Dixon arrange special window displays for the event, the general theme to be surrounding the world premier of the Warner Bros., 1942 release, "International Squadron", which stars Ronald "Dutch" Reagan, who will be present with his attractive wife, Jane Wyman.

A supply of the large souvenir homecoming pins was received yesterday by Co-chairman N. H. Kaiserman and these are to be disposed of both in advance of and during the two days of the event.

Discuss Hospital Needs

The Girl and Boy Scouts committees consisting of Mrs. W. A. McNichols and Earl Kennedy and Paul Armstrong met yesterday in the offices of the Dixon Home Telephone Company to formulate plans for the Louella Parsons hospital fund. It was stated that the hospital is greatly in need of funds to finance the increased demands and that residents of Dixon desire to contribute to this worthy institution while not able to subscribe an appreciable sum.

The Girl and Boy Scout organization will distribute emblems throughout the city which may be displayed in windows or on car windshields, for which a charge of 25 cents will be made. The campaign will begin Friday of this week and residents of Dixon are urged to contribute to the hospital fund by purchasing the emblems. Prizes are being donated by some of the Dixon merchants for the Scout organizations and individual registering the highest number of sales. A grand prize will be awarded to the Girl or Boy Scout registering the highest individual sale. Miss Parsons making the presentation. She will also award the prize to the Scout troop reporting the highest number of emblem sales.

The War Today

(Continued from Page 1)

This offensive, Progress naturally will depend on circumstances, but the Muscovites may be expected to develop this great drive as far as possible.
Whether this is the appointed hour remains to be seen. The Russians have been claiming that the invaders were nearing the point of exhaustion, owing to terrific casualties and continuous fighting.

As previously remarked, one of the purposes of this blood letting in the center of the line is to relieve pressure at Leningrad where the position is critical. The Finns today announced that they had recaptured all of the Karelian peninsula, bringing them to a point 20 miles from Leningrad. The Germans claim to be twenty miles south of the city. However, the bolsheviks asserted that the Nazi drive had bogged down and that the fight had developed into an aerial conflict.

If the struggle for this second largest city of all the Russias does develop into a siege, we are likely to witness one of the greatest battles of its kind in history.

Rep. Taylor, Colorado, Dean of House, Is Dead

Denver, Sept. 4.—(AP)—Rep. Edward T. Taylor (D-Colo.), a former Kansas cowboy who was elected to the United States house of representatives in 1909 and became its oldest member after 17 consecutive terms in office, died last night of a heart attack.

The veteran congressman was 83 years old.

The tall and wiry congressman was born June 19, 1858, on an Illinois farm. He did not enter congress until he was 50 years old, yet only four other representatives since the first congress March 4, 1789, had been elected to 17 consecutive terms.

U. S. THEATERS

KIDNEYS MUST REMOVE EXCESS ACIDS

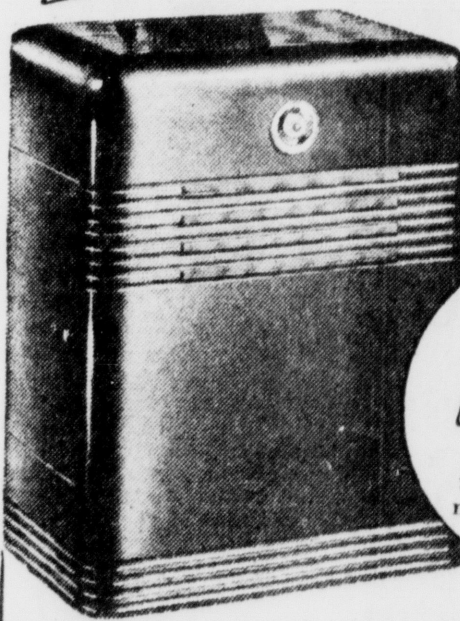

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be overworked. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

We've a Kitchen that Cooks for a Family of Ghosts

YES, and a dream of a kitchen it is, all gleaming porcelain and stainless steel! And in this ideal kitchen savory dishes are prepared daily—yet they aren't cooked for anyone to eat...but only to be taste-tested. For this is the ultra modern A&P Test Kitchen and it cooks to the end that A&P customers may enjoy better meals.

The graduate Home Economists who preside over this Kitchen have an insatiable curiosity about the foods that A&P makes. They're forever testing, experimenting, proving by actual use. Day after day the Kitchen creates new recipes, revises old ones for the use of new foods, works out accurate information to go on A&P labels and provides "rules" for our demonstrators who counsel homemakers on the best ways to use A&P products.

This Test Kitchen is very representative of two A&P traits...to maintain a rigidly high standard of quality in food manufacture...and to help our cus-

tomers make the most practical use of all our foods.

Yet despite the extent to which we go in the cause of quality, prices on A&P-made foods are notably low. This is because our direct-to-you method of doing business cuts out extra handling charges and in-between profits and the savings made are shared with customers.

And now there's still another, very important reason for A&P economy...the A&P Super Markets. These great food department stores sell from 5 to 15 times as much food as the average A&P Store of a few years ago, a fact that brings selling expense way down...and prices way down, too.*

*A&P Super Markets keep their prices low throughout all departments...every day of the week. Thus if you shop for all your food needs in them, you naturally save on your entire grocery bill.

Grade School News

The Rochelle elementary schools opened on Tuesday, with a total enrollment of four hundred and seventy pupils. This is the largest beginning enrollment for the past several years.

The first day's enrollments were:

Central school—
Grades 1-2-3-4-5-6 214
Junior high school 111
Lincoln school—
Grades 1-2-3-4-5-6 145

Children have been supplied with enrollment cards and blanks for health records and it will be appreciated if these are filled out by parents and returned promptly. Parents are urged to supply their children with the necessary books and materials as soon as possible so that classroom progress will not be delayed.

All teachers have returned and assumed their regular duties. Both teachers and pupils look forward to a pleasant and profitable year.

Mary Monroe Guild to Meet

The Mary Monroe Service Guild of the Presbyterian church will hold its first fall meeting on Monday evening, Sept. 8th in the church parlors. A 6:30 dinner will be served honoring new teachers and other new residents of the community, and a program of entertainment is being planned for the evening.

Personals

Miss Maxine Maginnis left Wednesday for Ann Arbor, Mich. to assume her duties as teacher in the Ann Arbor schools.

Mr. and Mrs. Harvey C. Hewitt and sons spent the week-end in Georgetown, Illinois. On Sunday, the parents of Mrs. Hewitt observed their fortieth wedding anniversary with a one o'clock dinner for thirty relatives. On Monday the annual Hewitt reunion was held.

Carroll King and son Dale, left this week to make their home in California.

Thought still confined to his bed, the condition of Adin Slaughter shows improvement.

Instrumental Music

The Rochelle elementary schools will again offer courses in group instruction in instrumental music. This instruction will be given during the regular school program and will be offered to children from grades 4-8. Children who have instruments and who are interested in taking work in instrumental music may enroll in these courses for group instruction. There will be a beginning group and an advanced group.

It should not be assumed that group instruction will take the place of private lessons, and all children who have talent are urged to arrange for private instruction with outside teachers. The group instruction, however, will greatly aid children in mastering the techniques of their instruments and in preparing for the orchestra etc.

The school possesses a limited number of instruments which may be rented to children.

Mr. Poff will be at the Central school building every day from 2 to 4:30 in the Special Activities Room to meet with any par-

ents interested in their children enrolling in these group instrumental classes. These hours apply to this week only. He can be contacted after this week by calling the Central school for appointments.

Farm Program For Next Year Aims At Biggest Food Crop

Only 3 Major Crops to Be Restricted; Need Will Be Multiplied

Washington, Sept. 4—(AP)—With old surpluses melting away under increasing domestic and British demands the agriculture department will announce within a few days details of a 1942 farm program which is designed to provide the nation with the largest supply of food ever produced in a single year.

Sharp increases in the production of many commodities, particularly dairy products, poultry products, vegetable crops suitable for processing and canning, meat animals, some fruits and livestock feed, will be sought.

Only in the case of cotton, tobacco and wheat will rigid restrictions on production and marketing be retained. Warehouses and elevators are crowded with huge surpluses of these crops as a result of the loss of export markets.

Approved by defense authorities, the program is being based upon the assumption that there will be an unprecedented demand for American food supplies during 1942 and 1943, and also upon the desire of the government to accumulate large reserves for use in any emergency.

Officials expect food demands of consumers in this country to be the largest in history because of reemployment under the defense program and because of limitations being placed on the production and sales of automobiles, refrigerators, washing machines and other durable consumer goods.

To Maintain Prices

Likewise, British food authorities have indicated they will need much larger quantities of farm products than are being made available to them this year under terms of the lend-lease program.

Farm officials believe that the American market would absorb sharply increased supplies of many foods without a resulting setback in producer prices. Farmers will be assured, however, that the government would employ price-supporting commodity loan and food purchase programs to maintain prices at remunerative levels.

Efforts were made this year to secure an increased production of some food items, but they were started late in the farming season. The results, while apparent, are not as favorable as the department had hoped for.

Officials said the 1942 program also would have a goal slanted toward the peace that follows the present war—the accumulation of reserves to help feed hungry Europe until it can get back on its feet. Secretary Wickard contends that the United States would be in a better position to dictate peace terms if it had ample food to meet European needs when the war ends.

10:30 a. m.—Family worship service with the minister preaching.

7:00 p. m.—Epworth league. Mary Jane Koch, president.

The fall program of the Steward Methodist church is now under way. With the return of the pastor and congregation from their respective vacations the work of the church is getting off to a fine start for the new year.

Special emphasis is being laid on the church school's new program. Next Sunday there will be a combination of the two adult classes. Rev. Morris has been asked to teach the united classes for the next month. And at the close of the church school hour there will be a series of context questions asked of the various classes. This will be of great interest to those who are there, since it will take the form of a quiz program on the radio.

Epworth league will resume this week. Miss Koch, the president, tells us that there will be a good program prepared and all young people are invited. The time is 7 o'clock.

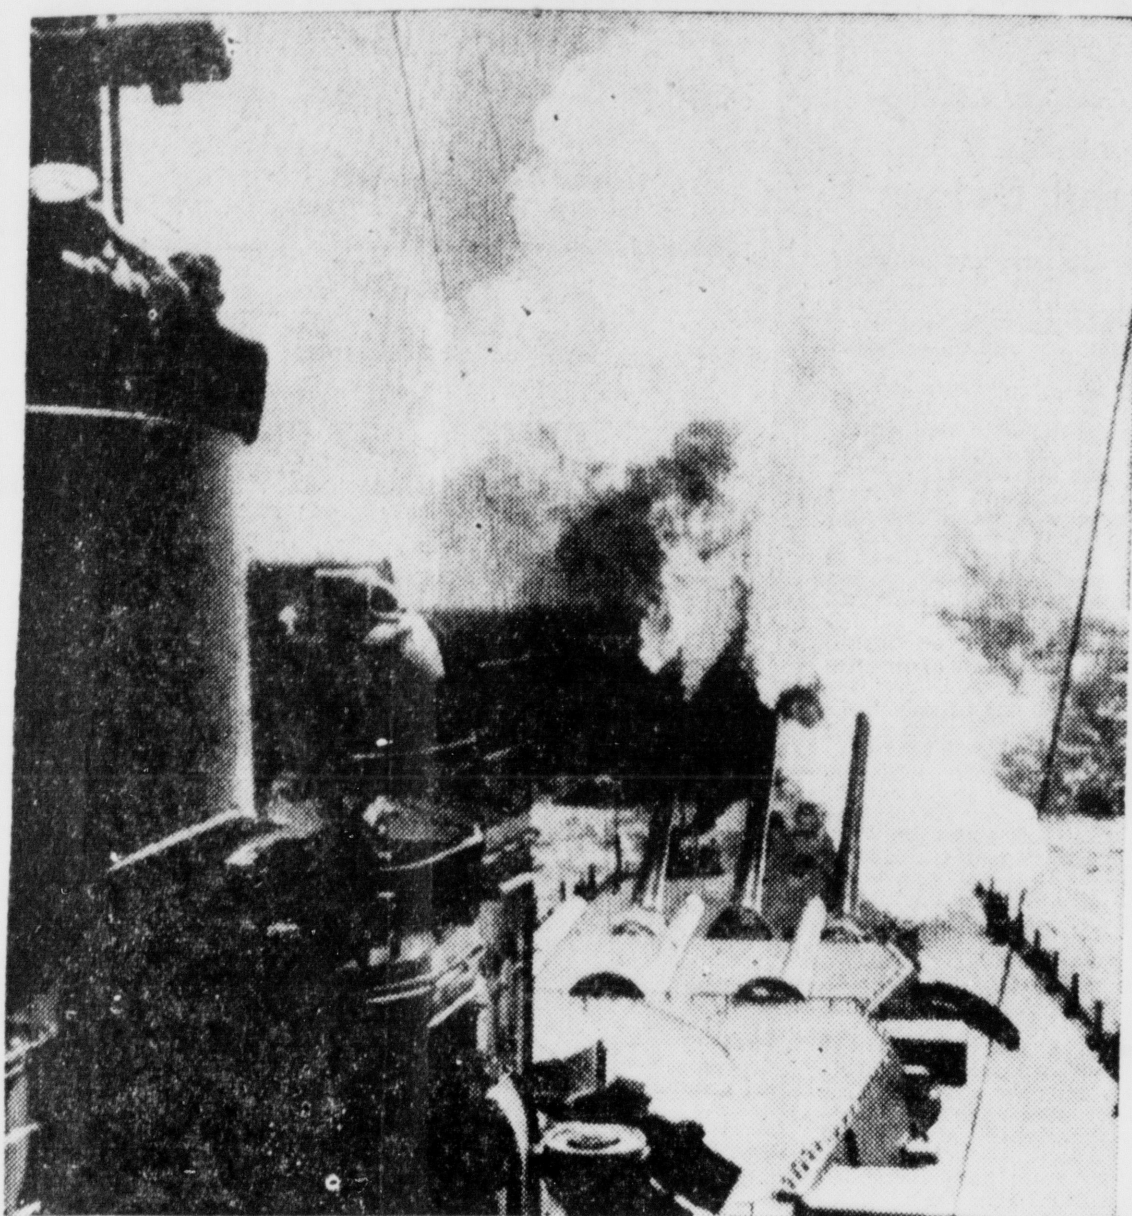

The W. S. C. S. is going to press with their new calendar. This year the calendar will have 15 months and in addition to the usual birthdays there will be the addition of many community dates.

Community night banquet has been set for September 18th. This annual event will draw the attention of all members of the community. You will want to be there.

First Electric Lights Used for Night Games to Work for Uncle Sam

Des Moines Iowa, Sept. 4—(AP)—The powerful electric lights which revolutionized minor league baseball are going to do national defense duty for Uncle Sam.

The lighting units in the old Western League park here, bought for \$12,000 in 1930 by E. Lee Keyser, who conceived minor league night baseball, have been purchased by a contractor to illuminate part of a vast munitions plant area so that workers can speed the defense program.

Keyser talked of night baseball for ten years before the lights were installed in 1930.

Many of the first nighters felt night ball was just a fad and wouldn't last. Ask any minor league operator; he'll tell you how wrong they were.

199 Illinois Prison Inmates Get Paroles

Springfield, Ill., Sept. 4—(AP)—The state division of correction today announced the names of 199 prison inmates who were granted paroles.

All but eight of the release orders were effective in August, the eight being scheduled to become effective this month. In its announcement, the division explained that 69 of the releases were ordered by the old state parole board which went out of existence July 1. The remaining 129 parole orders were entered on approval of the new board, composed of heads of the various divisions of the Department of Public Safety.

Almatians' Seventh Corps in Flight as Kotmkians Pursue

Seek Safety in Central Louisiana; Illinois Boys Wait Cavalry

By JERRY T. BAULCH

With the Second Army, Sept. 4—(AP)—Seventy-five thousand men of the Seventh Corps relaxed their hold on the western shore of the Ouachita river and began a 200 mile race today toward central Louisiana to escape a ring of infantry, cavalry and armored troops rapidly forming around them in the Second Army's war games.

To the north the Seventh Corps Almat army, the New York 27th division, abandoned a three day stand north of Camden, Ark. and leaving a small delaying force, withdrew 20 miles south to Smackover. Even the "suicide" detachments fled from Camden late last night as the division shifted toward El Dorado, 17 miles north of the Louisiana line.

The 35th (Missouri, Kansas, Nebraska) division moved into Louisiana this morning ahead of the 27th, leaving to the New Yorkers the defense against the Kotmk 2nd cavalry division from Fort Riley, Kas., massed 30 miles eastward on the Ouachita. The 33rd (Illinois) remained in the Haynesville-Homer area in Louisiana, facing west for an expected attempt by the first armored division, now speeding from Fort Knox, Ky., to cut off the Almatian flight to Alexandria, La.

With the three divisions of Maj. General Robert C. Richardson, Jr., attempting to reach safety south of the Red river, Maj. General Clarence S. Ridley moved his Kotmk army in quick pursuit.

Pontoon bridges were built between Camden and Crossett early today and by daylight infantrymen were leading the way southward after the 27th. The movement apparently was to continue most of the day.

With miles of impenetrable swamp separating General Ridley's infantry force from his 2nd cavalry at Crossett to the south, the 12,000 men of Maj. General John Milliken impatiently awaited permission to strike westward across the river.

DIXON FOOTBALL CANDIDATES

Football equipment was issued to 52 candidates for the Dixon high school's 1941 varsity and sophomore squads this week and nightly sessions are being held at the athletic field in preparation for the season opener here Sept. 12 against Oregon. The candidates included: James Thompson, John Weaver, Carl Schnake, Walter Knack, John Loftus, Donald Koth, Bill Evans, Bob Miller, Jo Van Meter, Don Edwards, Paul Hoeman, John Van Nuys, Don Bowers, Bob Cramer, Bob Hess, Bob Marshall, Junior Gardner, Edward Pessink, Mark Smith, John Collins, Jim Hoon, Dan Shiaras, Dwight Fulmer, Bus Egler, Bob Quibot, Edward Osowski, Eustace Shaw, Kenneth Potts, Don Fish, Phillip Kelly, Dale Frey, Richard Williams, Lloyd Gilbert, Russel Tetrick, Ciel Weidman, Richard Stitzel, Jack Ottinger, Louis Drummond, Bill Cooper, Gene Frey, Sostant Pierre, Jack Stevens, Joe Hink, John Walters, Bill Goff, D. Cramer, Don Hamill, Bob Collins, Miles Clifford, Joe Venier, Fred Howard and Cyril Shank. More about these fellows will be told in Fanfare's forthcoming annual football page.

OPEN BOWLING PRIZE WINNERS

Up to early last night Ed Worley's 214 bowling game was high score in the weekly contests being held at the Dixon Recreation. Ed nosed out John Shultz who had marked up a 213 game earlier in the week. Miss Phyllis Carson has high game thus far for the women with a 190. Last week's prize went to Cy Winebrenner for the men when he rolled a 231 game. Mrs. Walt Klein and Mrs. R. R. Dwyer split honors for the women when they each marked up a 168 game.

NELSON POTTER DAY

Jack Harvath, manager of the Mt. Morris Cardinals baseball team is planning a "Nelson Potter Day" to honor the community's major league pitcher. Potter, who started the season with Philadelphia before going to Boston, is expected in his home town when the season ends and Oct. 5 has been set as the date for a feature game in which he will pitch against the Dixon Knacks.

LOVE SET

Dick Joslyn, veteran Dixon tennis star, came out on the short end of the score in an encounter yesterday with a truck. Dick, driving down Wacker Drive in Chicago yesterday morning was blinded by a terrific downpour and rammed into a truck ahead of him. The van's swinging tail gate smashed the front end of Joslyn's car and left the driver slightly bruised and much chagrined.

DIXON ALL-STARS ARE SWAMPED

Everyone was pretty num yesterday about that Dixon All-Star softball game at Sterling Tuesday night. No wonder: The Sterling Boosters won by a blanket score of 17 to 1. While the Boosters were clouting the ball all over the lot, the Dixon boys helped them to cross the home plate with a total of eight errors. Woodyatt did the pitching for the Boosters and allowed but three scattered hits and struck out 12. Only one error marred the hosts' record. Krug was the only Dixon player who was able to solve the slants of Woodyatt, connecting for a double and a single in three trips to the plate. The only other Dixon safety was a single by Spinden. Deets did the chucking for the All-Stars and allowed 13 hits.

TREMORS FOR TRIMBLE

Down at the Dixon Recreation bowling alleys they tell you that the gutters have been painted blue this year for the benefit of Joe Trimble. It seems, so the yarn goes, that Joe's ball charged like a bull toward the gutters when they were red. Dashed back handed him a "bill" for \$8.67 at the end of the season—just for damages to the alleys. Joe kept the bill (one of those you don't HAVE to pay) just as a souvenir.

HORSESHOE PITCHING EXPERTS

Leslie Long and Harry Witner of Lee county won third place in the men's doubles of the horseshoe pitching events at the recent Farm Sports Festival at Champaign-Urbana. Walter Coldicott and Harold Allen of Macoupin county were the champions.

FOREMEN'S GOLF STAG

Russell Brown had low gross score of 41 in the nine-hole event for the foremen of the Reynolds Wire company yesterday at Plum Hollow. Second prize went to Bob Minnehan with 42 and Harold Rorer was third with 44. (One player, they say, had a score of 102 for the nine holes—name withheld). Fifty-two company employees attended the dinner and meeting at the club house and of these 30 participated in the golf events.

SECOND SHIFT

Following the Commercial League games at the Dixon Recreation on Thursday nights will be a new loop composed of Chauffeurs and Helpers Union members. The teams are: Keeshin Motors, Dohrn Transfer, Rock Island Transfer, Prince Castle and Hey Bros.

CHARLIE SAYS "THANKS"

Charlie Root, veteran Cubs pitcher who has now won 201 games, has sent a letter of thanks to County Treasurer Ward T. Miller for Dixon fans' part in the recent Charlie Root Day. Ward, a former Cub player, started a fund of dimes here in contribution to the honorary event. Charlie Root's letter read: "I extend to you and all your friends my sincere thanks and appreciation for your many contributions to the Fan's Fund that purchased the handsome station wagon for me."

LEAGUE OF NATIONS

The roster of the Strub & Schultz bowling team looks like a Notre Dame lineup with as many nations represented as there are bowlers. Irish, German, Swede and Italian. The quintet includes Considine, Strub, Hanson, Bondi and Kionka.

NOT THE POET

Henry Wadsworth Longfellow, star end on the Northwestern university football squad back about 1936, is the new roommate of Phil "Shorty" Watts at Camp Grant. The camp is planning an extensive football campaign this season between squads of other soldiers.

NO DICE

The Lee-Dixon baseball game which was scheduled for here next Sunday afternoon has been called off, according to Manager Hi Emmert. The Knacks' next big assignment in the books is not until Nelson Potter Day at Mt. Morris Oct. 5—unless something big turns up in the meantime.

WITH THE ARMY AT LOWELL PARK

War maneuvers of the softball variety will fill the air with leather bombs Sunday afternoon at 2 o'clock when Company A, third regiment, Illinois Reserve Militia meets the enemy, Company B of Sterling at Lowell park. Capt. Ludlow of Sterling and Capt. Jim Brady of Dixon will be the first-inning pitcher as they lead their men into the fracas. All friends, relatives, wives, sweethearts, children or third cousins of the players are invited to watch the game.

ANCHORS AWEIGH

Thomas George Powell, 19, of Dixon, son of Thomas H. Powell, 21 South Ottawa avenue, won commendation from four high naval officials for his part in the refloating of the S. S. Iowa, beached at Government Point, Calif. Powell, now on the U. S. S. Arizona, is cited for honors by the commandant of the 11th naval district, commander of battleship division one and the commanding officers of the Arizona.

FASHION NOTE

'Tis said the gals of Peter Piper bowling team in the Ladies' League will establish a new fashion this season when they step out on the alleys attired in silks and slacks—wow!

WITH CLINTON IN THE SPRING

Ralph Keegan of Fenton, Ill., who has been pitching this season for the Dixon Knacks expects to try out with the Clinton team of the Three-Eye League next spring and has been "invited" to go along training camp.

GETTING KINKS OUT

Don Miller (Wisconsin), Butch Shoaf (Wisconsin) and Gerald Ankeny (Iowa) did some gridiron practice at the high school field Labor Day morning. Gerald and Don are getting the kinks out of their frames for the Big Ten season ahead.

NEIGHBORHOOD BASEBALL

Lee, undefeated champions of the Tri-County Baseball League, offered a 9 to 1 set back at the hands of Malta last week and the winners counted 12 hits and held the champions to one. O'Donnell was a winning pitcher. At Rock Falls on Sunday night the Rochelle All-Stars defeated Rock Falls Merchants, 9 to 8, as six runs in the eighth inning put Rochelle out in front.

OPENING DATE

Frank Daschbach has announced that the opening date for the men's bowling leagues has been set for Sept. 16 when the City League will lead off. Teams thus far signed in that circuit include Myers Royal Blue, Three Deuces, Post Office, Strub and Schultz, Reynolds Wire, Blackhawk Food stores, Meyers and Nolan and one other quintet.

Championship Will Be Fiftieth for New York In Six Years

By JUDSON BAILEY

The New York Yankees may clinch their American League pennant today—their fifth championship in six years—and the dawdlers over in the National League must be trembling at the thought of the forthcoming World Series.

The Yanks are in Boston and need only one more victory to figuratively sew the big bunting onto their flagpole. They may not get it today, of course, baseball being the mystery it is, but the outcome is inevitable.

They squeezed the Red Sox through a 2-1 eleven-inning wringer yesterday to assure themselves of no worse than a tie. They have won 90 games and lost 45. If they lost every one of their remaining 19 contests they still would have only 64 defeats—the same number that Boston and the Chicago White Sox, tied for second place, already have.

The latter clubs are 19½ games behind the leaders, and the Cleveland Indians, who were seven proud games in front of the Yanks on May 25, today are 22½ back and threatened even with the loss of their place in the first division.

The Yanks made a sluggish start, as everyone remembers, with a revamped lineup that had Joe Gordon on first base and a rookie keystone combination of Phil Rizzuto and Gerry Priddy. By the middle of May Manager Joe McCarthy knew he couldn't win the pennant with that setup.

He switched Gordon back to second base, where he is the best in the game, and from that time on the Bombers started booming. By June 28 they were in first place to stay and they did stay. Joe DiMaggio embarked on his record hitting streak of 56 consecutive games and the parade was on.

Today, if the Yanks nail down their flag, it will be with both these Joe's, McCarthy and DiMaggio, absent from the scene. The manager was left behind in a Washington hospital for treatment of a gall bladder ailment and DiMaggio was dropped off at home to recover from an ankle injury.

Both are expected to rejoin the club in New York this week end.

Nearly Get the Works
The Yanks were nearly given the works by Broadway Charley Wagner of the Red Sox yesterday. They were held to seven hits and it took Tom Henrich's 27th homer in the eighth inning to throw the game into extra innings and give New York a chance to win in the 11th when Red Rolfe hit into a force play with the bases loaded, scoring one run.

Big Ernie Bonham pitched scoreless ball for six innings in rebuttal and Boston's only run came on a triple by Pete Fox and a single by Joe Cronin in the seventh.

Meanwhile the Brooklyn Dodgers blew a bountiful opportunity to take the National League lead away from the St. Louis Cardinals, who were kept idle by rain.

Brooklyn had a doubleheader with the last place Phillies and won the first game 4-1 with Whit Wyatt pitching a four-hitter for his 19th victory. Then Manager Leo Durocher gambled on a young right-hander named Ed Albosta, who reported two days before from Durham of the Piedmont league. The Phils gave him a going over to win the nightcap 4-1 with Frank Hoerst pitching four-hit ball and blanking Brooklyn till the ninth. This put the Dodgers four percentage points instead of two behind the Cards.

Pirates Beat Reds
Pittsburgh beat Cincinnati 3-2 in a night game although Elmer Riddle held the Pirates to six hits. The only runs the Reds could get for their mound ace came on a homer by Ernie Lombardi in the seventh.

Washington whipped the Philadelphia Athletics 9-18 with a five-run rally in the ninth after the A's had bunched five in the eighth. Philadelphia made seven errors.

CARDINALS PRO GRID TEAM SIGNS PITTSBURGH PLAYER

Chicago, Sept. 4.—(AP)—The Chicago Cardinals Professional football team today announced the signing of Bill Daddio, great Pittsburgh end of several years ago, who originally was drafted by the Cards the summer of 1939. Also signed today by the Cardinals were Bob Morrow, Illinois Wesleyan fullback last season, and Walter (Bull) Rankin, Texas Tech fullback. Morrow's contract was purchased from the Chicago Bears.

All-Star Gridmen Are Well-Walloped Group of Warriors

By SID FEDER

New York, Sept. 4.—(AP)—Put together as teams, the All-Star footballers are a well-walloped collection of warriors today, but as they nurse their bruises they have the satisfaction of knowing they're the classiest freshmen ball players to move into the professional game in years.

From last week's shindig in Chicago, where the Bears "T" formation rolled to victory, and last night's party in the Polo Grounds in which the New York Giants mauled the Eastern All-Stars 23-3 before a sellout crowd of 54,279, you can pick two dozen of as neat an assortment of bone crushers as you'd want to see on any man's gridiron.

Headed by a string of blasting ball-carriers, fellows like Minnesota's George Franck, Fordham Len Eshmont, Villanova Nick Basca, Marion Pugh of Texas A. & M., the Stanford speedsters, Norm Standie and Hugh Gallarneau, Milt Piepul, who's trading in the Notre Dame suit for a Detroit Lions' paycheck, and Jim Castiglia, Georgetown's kicking ace, these youngsters threw plenty of scares into the pros here and in Chicago.

Put Game on Ice
The Giants put the game on ice the first time they got the ball, when old Ed Danowski pitched two passes to the stars' one-yard line and Tuffy Leemans smashed over.

The stars followed with their lone three points. Castiglia booted one from 36 yards out, after Eshmont had run 21 yards on three tries.

Then, in the third period, Howard Yeager, late of Santa Barbara, who'll be a sophomore pro back this fall, carried a kick back 35 yards, and a few minutes later, Ward Cuff booted a 32-yard field goal. Nello Falaschi, ex-Santa Clara, intercepted a pass 27 yards out and busted through for the Giants second touchdown. Danowski's pitch to Andy Marefos wound up the scoring.

Minnesota Football Prospects Bright

By JAY VESSELS

Minnesota, Sept. 4.—(AP)—Minnesota football fans missed a chance to expect big things before last year's championship season. Prospects were just ordinary then.

Now the outlook is bright but the folks prefer to be shown. Coach Bernie Bierman finally has convinced the cash trade that pre-season giddiness is too conducive to post-season regrets.

Actually, a fragile backfield setup is tuning down enthusiasm over a line, three deep most of the way, that resembles the devastating walls of 1934 and 1935 title teams.

Some optimism does prevail and even Bierman expects a good team.

It's that mere handful of trained backs that stimulates calm thought. Captain Bruce Smith, Bob Sweiger and Bill Daley return from that 1940 backfield that packed the pigskin to the heights. All-America George Franck and Quarterback Bobby Paffrath are missing. And the replacements are untried.

Shortage of Halfbacks
The halfback shortage is one of the most acute in recent Minnesota history. Demand is so great that Pee Wee Higgins, 155 pounder, is bidding for a job. With a surplus of fullbacks headed by Sweiger, they may shift Daley to right halfback.

Captain Smith, hero of the Michigan, Ohio State and other 1940 triumphs, will shift to the Michigan, passing, running and possibly signal calling.

That line cannot miss greatness because the key men, headed by Tackles Urban Odson and Dick Wildung, rated about the top last year. Biggest and best is 250 pound, six-foot, three-inch Odson. Ends are not puny either. One possible starter is six feet, five and one half inch, 220 pound Carl Ekberg.

The opposition lists in order Washington, Illinois, Pittsburgh, Michigan, Northwestern, Nebraska, Iowa and Wisconsin.

YESTERDAY'S STARS

Whitlow Wyatt, Dodgers, and Frank Hoerst, Phillies—Each pitched four-hit game to divide doubleheader.

Tom Henrich, Yankees—His 27th home run sent game with Red Sox into extra innings with New York winning in 11th. Jim Bloodworth, Senators—Hit two singles and double and gave sparkling fielding performance to help beat Athletics.

Ed Stewart, Pirates—His two singles figured in all of scoring against Reds and his fine throw in ninth saved victory.

Sports Roundup

By SID FEDER

(Pinch Hitting for Eddie Brietz)
New York, Sept. 4.—(AP)—Don't look now, but... Tommy Harmon might have given pro football a whirl (with the Chicago Bears) if it wasn't for that feud between Bear Boss George Halas and Dick Richards, the ex-Detroit Lions' owner... Wilbur Shaw is about ready to tell the folks he is through with auto racing for keeps and will spend his time in his new airplane job... That explosion at the Chicago Bears training camp wasn't TNT... 'Twas only Coach Halas opening his mail and discovering the National Pro League was slapping a \$100 fine on him for coming out without stockings in the second half of the All-Star game last week...

KICKIN' AROUND—
Hollywood's first reports on Billy Conn's picture are so good the movie men are inviting him out to make another... Is this Joe Cronin's last year of shortstopping?... And is that why the Red Sox whisper confidentially Johnny Pesky will be up from Louisville to take over the short field next season?... Porter's Cap, the west coast choice to knock off Whirlaway last spring, has gone so stale Charley Howard is turning him out to pasture.

NOTES TO YOU—
The Yanks are mighty interested in Milo Candini, their Kansas City farm hand, since he blinded their Sunday sluggers with that one-hit exhibition elbowing job last week... If you think the boys are daffy with that football stuff in this hot weather, a dispatch just in announces the start of the basketball season in the Philippines. Biggie Goldberg, the old Pitt All-America, has about decided not to come back to pro football... He and Solly Sherman, the Bears' quarterback, work for Solly's pain-in-law and are doing right well... The Cubs are bringing Lou Novikoff back as soon as Milwaukee finishes its season.

WHO'S NUTZ NOW?—
The day before last Warneke tossed his no-hitter, he told the Chicago News' John Carmichael: "All the developments in this game in the last ten years favor the hitters... The ball's so much like a golf ball, you can punt it outa the park."

When the Cubs gave Charley Root that "day," Prexy Phil Wrigley tossed Grandpa Charley a check for \$2,273.19—representing one per cent of what he has earned pitching for the club for 15 years... Alex Carrasquel teaches the boys and girls in Venezuela the congo and rhumba when he's not busy dealing 'em off the arm for the Senators... The Sporting News points out there will be national baseball, Fisher-men's, golf and tennis weeks in '42... Howabout one for the good old sports writers?

COLUMBUS CINCHES PENNANT OF AMERICAN ASSOCIATION

Columbus, O., Sept. 4.—(AP)—

The 1941 American Association pennant belongs to the Columbus Red Birds.

The St. Louis Cardinals' farm club clinched the flag last night by defeating Indianapolis, 5 to 3. They now lead second place Louisville by 6½ games and have only five games to play. Louisville, rained out for the second straight night, has six games left.

The pennant was the seventh for Columbus and the fourth since the St. Louis Cardinals League club took over the franchise in 1931.

WALDORF HAS LONG RUN
Evanston, Ill.—Lynn Waldorf, beginning his seventh season, is the 17th head coach at Northwestern since the Wildcats began football in 1893.

CLEVELAND RAMS DEFEAT COLLEGE ALL-STAR TEAM

Cleveland, Sept. 4.—(AP)—The futility of attempting to match a well-drilled professional football team with a club molded in three short weeks was amply demonstrated again last night as the Cleveland Rams drove to a easy 37-7 decision over a squad of All-Stars collected mainly from mid-western universities.

The teams made a good show of it, but it was obvious the All-Stars didn't have a chance from the time they tossed a pass behind their own goal line to start the Rams' touchdown parade until Parker Hall ended the scoring with a 33-yard run through the left side of the weary collegians.

It was the collegians' fourth loss in as many appearances against the heavier Rams.

Obituary

Anne Otilie Solomonsen, was the daughter of Ole and Sarrie Anderson. She was born the 25th day of May, 1863, near Leland, Illinois, in LaSalle county. She was Baptized when an infant by the Rev. Johnson, of Leland, and when she was nearly thirteen years old she moved to Lee county with her father, one sister, and three brothers, where she has since spent the greater part of her lifetime. They lived on a farm north of Paw Paw. When she was sixteen years old, she was confirmed in the Lutheran church southwest of Lee, by the Rev. Tackie.

On October 10, 1889, she was united in marriage to Lewis Solomonsen, by the Rev. Norbey. To this union was born one daughter, Luella Solomonsen Haug, Lewis Solomonsen preceded her in death April 27, 1892. Annie Otilie Solomonsen passed away on Aug. 25, 1941, in her home in Paw Paw where she had been living for the past twenty-one years with her only daughter, Luella Haug, and her grandson LaVerne Haug. She was 78 years and 3 months old, when she passed away. She is survived by one brother, Andrew Anderson, of Thoe, Iowa, her only daughter, Luella Haug, and grandnieces, nephews and friends.

The funeral services were held at Lee, Illinois, in the Norwegian Lutheran church, on Thursday August 28, 1941. Burial was in the Norwegian Lutheran cemetery southwest of Lee.

Birthday Party

Mrs. Lewis Clemons was the hostess when the birthday events of Mrs. John Edwards and Mrs. Olla Haug were celebrated. The invited guests at the party presented the two ladies with a number of very lovely gifts. The afternoon was spent in playing auction bridge, and Mrs. Edwards took the high score prize with Mrs. Cris Moore getting low score honors. The Saturday afternoon party event drew to a close when the hostess served a delicious lunch. Those enjoying the birthday party were: Mrs. Cris Moore, Mrs. Law-

rence Gallagher, Mrs. John Edwards and Mrs. Olla Haug.

Reunion At Mrs. Roberts

Mrs. Blanche Roberts was hostess to one of the most noteworthy annual events of the year, when she entertained the old members of the classes of 1889, and 1900, at her home on Labor Day. The reunion gathering bringing together the members of the classes always brings back fond memories and recollections of the days gone by. The group enjoyed a very lovely dinner and letters were read, received from those members, unable to attend the event.

Following are the members that were able to attend the gathering: Myrtle Edwards Swarthout, of Los Angeles, Calif., Cinnie Morrow Strong, of Sycamore, Mae Cover Pierce of Elgin, Gertie Smith, Miss Bertha Goble and Blanche Roberts of Paw Paw, representing the class of 1900. From the class of 1889, Viola Goble Rosette, Mary Miller Forsythe of Iowa, and Genevieve Mayer Flightmaster, and Charles Case of Paw Paw. Those from the class of 1898 attending were: Max Swarthout of Los Angeles, Calif. and Kattie Sanford Bernardin, of DeKalb.

Notice should be given, that next year the members are invited to meet again at Mrs. Roberts' home to enjoy a day of visiting, to enjoy so many events that were outstanding in their lives, and continue to make this reunion an annual Paw Paw highlight.

Eitzbach-Landers Nuptials

Miss Inez Eitzbach, daughter of Fred Eitzbach, of Paw Paw was united in marriage to Raymond Landers of near Utica, on Monday morning at 8 o'clock. The ceremony took place in the Holy Cross Catholic church at Mendota. Mrs. Theodore Eitzbach, sister-in-law of the bride, and Everett Landers, brother of the groom, were attendants for the wedding. After the ceremony a wedding breakfast was given at the Landers home with only close relatives attending. Immediately following the breakfast, the young couple departed on a honeymoon trip through the north. Upon their return they will make their home in Utica.

Mrs. Landers was a graduate of Paw Paw high school and is well known in Paw Paw and vicinity having a host of friends here. Mrs. Landers is a beauty operator at Utica. The many friends of the young couple extend best wishes in their journey through life together.

Fears Cut in Rate for Natural Gas May Stop Service to Illinois

Washington Sept. 4—(AP)—A slash in the Panhandle Eastern Pipeline Company's wholesale rate might interfere with extension of natural gas service to Illinois communities, says C. H. M. Burnham, the firm's chief engineer.

Burnham, testifying in a rate case before the Federal Power Commission, declared yesterday that communities in Illinois, Indiana and Michigan were eager to get service which the company had contracted to provide on a current revenue basis.

He said a \$9,000,000 expansion program included extension of

service to Abingdon, Galesburg and Knoxville, Ill.

SWEET MUSIC

Fergus Falls, Minn., Sept. 4—(AP)—Investigating a sour note, a piano tuner discovered a mouse's nest behind the keys of Turner Aske's piano. And in the nest was a \$10 gold note, missing for several years and a new \$1 bill. The gold note, will chewed, was sent to the treasury department for redemption.

PEARLS FROM PARASITES

Formation of most pearls is caused by a tiny parasite. The irritating parasite is covered with carbonate of lime by the oyster, thus forming the pearl.
